HASSAN AHEER

Full Stack Developer

📞 +92 345 3163847   @ hs@aheer.me   🔗 https://aheer.me/   📍 Lahore, Pakistan

SUMMARY

Accomplished Senior Backend Developer with 5+ years of experience in PHP and Laravel (up to version 11). Proficient in REST API development, microservices architecture, and database design. Demonstrated expertise in optimizing code, implementing secure protocols, and deploying scalable solutions using Docker and Kubernetes. Passionate about crafting efficient and robust backend systems while collaborating with cross-functional teams to deliver innovative solutions.

PROFESSIONAL EXPERIENCE

Full Stack Developer   08/2022 - Present
Vertex360 - NDIS Software   Melbourne, Australia
- Developed a custom **Content Management System (CMS)** from scratch using **Laravel** and **React**, ensuring scalability and user-friendliness.
- Integrated third-party APIs to enhance application functionality and streamline workflows.
- Diagnosed and resolved website issues to ensure compliance and smooth operation.

Full Stack Developer   07/2022 - Present
Taeyaar Technology Services   Chicago,USA
- Designed and maintained **RESTful APIs** using **Laravel 9** and **MySQL**, ensuring efficient data handling and processing.
- Integrated data analytics features into web applications, enabling businesses to make data-driven decisions.

Lead Web Developer   04/2020 - 05/2022
Metrolive Pakistan   Karachi, Pakistan
- Developed and maintained web applications, utilizing front-end technologies such as HTML, CSS, and JavaScript, and back-end technologies such as PHP.
- Maintained existing applications, identifying and troubleshooting issues to ensure efficient and effective operation.

Junior Laravel Developer   12/2018 - 04/2020
Real Leads Hub   Mississauga, Canada
- Proficient in developing high-performance web applications using Laravel and CodeIgniter frameworks with PHP (LAMP) in Ubuntu 20.0 environment.
- Utilized strong problem-solving skills to develop custom solutions for complex business problems.
- Monitored website performance, proactively troubleshooting issues and ensuring maximum up-time, hosting, and database capacity.

CERTIFICATIONS

Designing RESTful APIs   **Introduction to Back-End Development**

LinkedIn, Issued Aug 2023   Coursera, Issued Sep 2023

SQL (Basic) Certificate   **JavaScript (Basic)**

HackerRank, Issued Sep 2023   HackerRank, Issued Sep 2023

JSON Essential Training

LinkedIn, Issued Aug 2023

STRENGTHS

⭐ **Problem-Solving**
Exceptional problem-solving and analytical skills for backend system challenges.

⭐ **Team Player**
Strong communication skills, both written and verbal, with proficiency in English.

EDUCATION

Bachelor of Science, Computer Science

Sindh Madressatul Islam University

2015 - 2019   Karachi, Pakistan

ACCP Pro

Aptech Computer Education

2012 - 2015   Karachi, Pakistan

Intermediate In Computer Science

DHACSS Sheikh Khalifa Bin Zayed College (DASKBZ)

2010 - 2012

SKILLS

Languages

PHP · Javascript · HTML5 · CSS

Tools and Frameworks

Laravel · Visual Studio Code · Bootstrap

Databases

MySQL · PostgreSQL

Methodologies

Scrum, Agile · Your Skill

Operating Systems

Linux (Ubuntu), Windows 11

KEY ACHIEVEMENTS

SaaS Multi-Tenant Conversion

Successfully converted a monolithic application into a **SaaS multi-tenant platform**, increasing scalability and revenue by 30%.

Optimized Application Performance

Reduced load times by 40% through efficient database queries and code optimization.

Custom Gantt Chart Development

Developed a custom **Gantt Chart** using best UI/UX practices, improving user engagement.
